# Independent auditors' report on review of condensed consolidated interim financial information

**To the Board of Directors of**  
*Khaleeji Bank B.S.C.*  
*Kingdom of Bahrain*

## Introduction

We have reviewed the accompanying 30 June 2026 condensed consolidated interim financial information of Khaleeji Bank B.S.C. (the "Bank") and its subsidiaries (together the "Group"), which comprises:

- the condensed consolidated statement of financial position as at 30 June 2026;
- the condensed consolidated statement of income for the three-month and six-month periods ended 30 June 2026;
- the condensed consolidated statement of comprehensive income for the three-month and six-month periods ended 30 June 2026;
- the condensed consolidated statement of income and attribution related to quasi-equity for the three-month and six-month periods ended 30 June 2026;
- the condensed consolidated statement of changes in owners' equity for the six-month period ended 30 June 2026;
- the condensed consolidated statement of cash flows for the six-month period ended 30 June 2026;
- the condensed consolidated statement of changes in off-balance sheet assets under management for the six-month period ended 30 June 2026; and
- notes to the condensed consolidated interim financial information.

The Board of Directors of the Bank is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with FAS 41, "Interim Financial Reporting". Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

## Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Auditing standards for Islamic Financial Institutions and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2026 condensed consolidated interim financial information is not prepared, in all material respects, in accordance with FAS 41, "Interim Financial Reporting".

9 August 2026

## **1 REPORTING ENTITY**

Khaleeji Bank B.S.C. (the "Bank"), a public shareholding company, was incorporated on 24 November 2004 in the Kingdom of Bahrain under Commercial Registration No. 55133. The Bank operates under an Islamic retail license granted by the Central Bank of Bahrain ("CBB"). The Bank's shares are listed on the Bahrain Bourse.

82.95% (31 December 2025: 82.95%) of the ordinary shares of the Bank are held by GFH Bank B.S.C. (formerly known as GFH Financial Group B.S.C.) (the "Parent"), a Bahraini incorporated investment bank operating under an Islamic wholesale banking license issued by the Central Bank of Bahrain ("CBB") and whose shares are listed on Bahrain Bourse, Boursa Kuwait, Dubai Financial Markets ("DFM") and Abu Dhabi Securities Exchange ("ADX").

The condensed consolidated interim financial information comprises results of the Bank and its subsidiaries (together the "Group").

## **2 BASIS OF PREPARATION AND PRESENTATION**

The condensed consolidated interim financial information of the Group has been prepared in accordance with Financial Accounting Standard

FAS 41, Interim Financial Reporting ("FAS 41") issued by the Accounting and Auditing Organisation of Islamic Financial Institutions ("AAOIFI").

The condensed consolidated interim financial information of the Group does not contain all information and disclosures required for the annual consolidated financial statements and should be read in conjunction with the Group's audited annual consolidated financial statements for the year ended 31 December 2025. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group's financial position and performance since the last annual consolidated financial statements as at and for the year ended 31 December 2025.

These consolidated financial information are presented in Bahraini Dinars, being the functional and presentation currency of the Bank, rounded to the nearest thousand [BD '000], except where otherwise indicated.

### *Comparatives*

The condensed consolidated interim financial information is reviewed, not audited. The comparatives for the condensed consolidated statement of financial position have been extracted from the audited consolidated financial statements for the year ended 31 December 2025 and comparatives for the condensed consolidated statements of income, the condensed consolidated statement of income and attribution related to quasi-equity, the condensed consolidated statement of changes in off-balance sheet assets under management, changes in owners' equity and cash flows, have been extracted from the reviewed condensed consolidated interim financial information for the six months ended 30 June 2025.

## **3 SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies and methods of computation applied by the Group in the preparation of the condensed consolidated interim financial information are the same as those used in the preparation of the Group's last audited consolidated financial statements as at and for the year ended 31 December 2025, except for those arising from adoption of the following standards and amendments to standards effective from 1 January 2026.

### **II. Relevant new standards, amendments, and interpretations effective for annual periods beginning on or after 1 January 2026**

#### **1) FAS 45: Quasi-Equity (Including Investment Accounts)**

AAOIFI has issued Financial Accounting Standard (FAS) 45 "Quasi-Equity (Including Investment Accounts)" during 2023. The objective of this standard is to establish the principles for identifying, measuring, and presenting "quasi-equity" instruments in the financial statements of Islamic Financial Institutions "IFIs".

The standard prescribes the principles of financial reporting to participatory investment instruments (including investment accounts) in which an IFI controls underlying assets (mostly, as working partner), on behalf of the stakeholders other than owner's equity. This standard provides the overall criteria for on-balance sheet accounting for participatory investment instruments and quasi-equity, as well as, pooling, recognition, derecognition, measurement, presentation and disclosure for quasi-equity.

This standard is effective for the financial reporting periods beginning on or after 1 January 2026.

The Group did not have a significant impact on the adoption of this standard.

**3 SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*I. Relevant new standards, amendments, and interpretations effective for annual periods beginning on or after 1 January 2026 (Continued)*

**2) FAS 46: Off-Balance-Sheet Assets Under Management**

AAOIFI has issued Financial Accounting Standard ("FAS") 46 "Off-Balance-Sheet Assets Under Management" during 2023. The objective of this standard is to establish principles and rules for recognition, measurement, disclosure, and derecognition of off-balance-sheet assets under management, based on Shari'a and international best practices. The standard aims to improve transparency, comparability, accountability, and governance of financial reporting related to off-balance-sheet assets under management.

This standard is applicable to all IFIs with fiduciary responsibilities over asset(s) without control, except for the following:

The participants' Takaful fund and / or participants' investment fund of a Takaful institution; and an investment fund managed by an institution, being a separate legal entity, which is subject to financial reporting in line with the requirements of the respective AAOIFI FAS.

This standard is effective for the financial reporting periods beginning on or after 1 January 2026.

The Group did not have any significant impact on the adoption of this standard.

**3) FAS 47: Transfer of Assets Between Investment Pools**

AAOIFI has issued Financial Accounting Standard ("FAS") 47 "Transfer of Assets between Investment Pools" during 2023. The objective of this standard is to establish guidance on the accounting treatment and disclosures for transfers of assets between investment pools that are managed by the same institution or its related parties. The standard applies to transfers of assets that are not part of a business combination, a disposal of a business, or a restructuring of an institution.

The standard defines an investment pool as a group of assets that are managed together to achieve a common investment objective, such as a fund, a portfolio, or a trust. The standard also defines a transfer of assets as a transaction or event that results in a change in the legal ownership or economic substance of the assets, such as a sale, a contribution, a distribution, or a reclassification.

The transfer of assets between investment pools should be accounted for based on the substance of the transaction and the terms and conditions of the transfer agreement. The standard classifies transfers of assets into three categories: transfers at fair value, transfers at carrying amount, and transfers at other than fair value or carrying amount. The standard also specifies the disclosure requirements for transfers of assets between investment pools.

This standard is effective for the financial periods beginning on or after 1 January 2026.

The Group did not have any significant impact on the adoption of this standard.

**4) FAS 48: Promotional Gifts and Prizes**

This standard prescribes accounting and financial reporting requirements applicable to promotional gifts and prizes awarded by the Islamic financial institutions. The standard categorizes them into a) promotional gifts where entitlement to gifts is declared instantly; b) Promotional Prizes, that are announced in advance to be awarded at a future date and c) Loyalty Programs, where the obligation is accumulated over the period.

This standard is effective for the financial periods beginning on or after 1 January 2026.

The Group did not have a significant impact on the adoption of this standard.

**II. Relevant new standards, amendments, and interpretations issued but not yet effective**

**1) FAS 50 - Financial reporting for Islamic Investment institutions (including investment funds)**

This standard replaces FAS 14 – Investment Funds and updates the financial reporting framework for Islamic investment institutions.

Key enhancements include alignment with revised FAS 1 and the AAOIFI Conceptual Framework, removal of the separate statement of portfolio investments (now included in the notes), elimination of the cash equivalent value concept, and introduction of quasi equity accounting principles.

The standard also provides guidance for Islamic investment institutions (IIIs) with multiple virtual entities or sub funds, introduces requirements on NAV differential, removes earlier governance and stakeholder reporting requirements, and grants exemptions from consolidation or equity accounting based on the unique business model and investment intent of the III.

This standard is effective for the financial periods beginning on or after 1 January 2027, with an option to early adopt. The Group does not expect any significant impact when they adopt this standard.

**For the six-months period ended 30 June 2026**

**3 SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*II. Relevant new standards, amendments, and interpretations issued but not yet effective (Continued)*

**2) FAS 51 - Participatory Ventures**

FAS 51 replaces FAS 3 (Mudaraba Financing) and FAS 4 (Musharaka Financing), it provides guidance for accounting in the books of the working partner and the venture. The scope of this standard is expanded to include additional venture types, for example, Running Musharaka, Diminishing Musharaka and restricted Mudaraba.

This standard is effective for the financial periods beginning on or after 1 January 2027, with an option to early adopt. The Group does not expect any significant impact when they adopt this standard.

**3) FAS 52 - Deferred Delivery Sales: Salam and Istisna**

FAS 52 replaces FAS 7 "Salam and Parallel Salam" and FAS 10 "Istisna'a and Parallel Istisna'a". This standard introduces guidance for accounting in the book of buyers and sellers including the treatment of parallel Salam and Istisna. This standard is aligned with the requirements of FAS 30 "Impairment, credit losses and onerous commitments".

This standard is effective for the financial periods beginning on or after 1 January 2027, with an option to early adopt. The Group does not expect any significant impact when they adopt this standard.

**4) Withdrawal of FAS 26 – Investment in Real Estate and Related Transitional Provisions**

AAOFI issued a guidance relating to withdrawal of FAS 26 – Investment in Real Estate and related transitional provisions ("Guidance").

Following the withdrawal, investment in real estate shall be accounted for in accordance with IAS 40– Investment property.

This guidance is effective for the periods beginning on or after 1 January 2027 and with an option to early adopt.

The Group is assessing the impact of adopting this standard; however, no material impact is currently anticipated.

**4 FINANCIAL RISK MANAGEMENT**

The Group's financial risk management objectives and policies are consistent with those disclosed in the Group's last audited consolidated financial statements for the year ended 31 December 2025.

**5 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS**

The geopolitical situation in the Middle East has continued to evolve during the period, resulting in a heightened level of uncertainty in the economic environment across the region, including the Kingdom of Bahrain. The Group continues to closely monitor developments and maintains appropriate business continuity and risk management measures to mitigate the potential impact of any disruption on its operations, customers and financial performance. The Group also continues to assess the potential business and credit implications arising from these conditions, together with the effect of any support or relief measures introduced by regional governments and central banks.

The measurement of expected credit losses ("ECL") requires the application of significant judgement and the use of assumptions and estimates, in particular in relation to the assessment of significant increases in credit risk, the incorporation of forward-looking information, and the selection and weighting of forward-looking macroeconomic scenarios.

In June 2026, the Group updated the forward-looking macroeconomic factors, economic forecasts and assumptions incorporated within its ECL models to reflect the latest available economic information and prevailing market conditions. The Group considered a range of plausible economic outcomes and incorporated the impact of increased volatility in forward-looking macroeconomic factors when assessing the probability weighting, severity and likelihood of the economic scenarios applied within the impairment models.

The scenario weightings applied by the Group were as follows:

| Scenario | 30 June<br>2026 | 31 December<br>2025 | 30 June<br>2025 |
|----------|-----------------|---------------------|-----------------|
| Best     | 5%              | 15%                 | 15%             |
| Base     | 70%             | 70%                 | 70%             |
| Worst    | 25%             | 15%                 | 15%             |

Management also evaluated whether the modelled outcomes appropriately reflected prevailing and emerging credit risks across the Group's portfolios. The macroeconomic variables reassessed as part of this update included Bahrain and GCC gross domestic product growth, crude oil price assumptions, benchmark profit rate expectations, inflation forecasts and real estate market indicators, together with other economic factors considered relevant to the credit performance of the Group's financing and investment portfolios. In addition to the assumptions outlined above, the Group has given specific consideration to the relevant impact of these disruptions on the qualitative and quantitative factors when determining the significant increase in credit risk and assessing the indicators of impairment for the exposures in potentially affected sectors. This has resulted in recognition of relevant ECLs and impairment allowances.

**NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL INFORMATION**  
**For the six-months period ended 30 June 2026**

**5 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS (Continued)**

**Assessment of the carrying values of assets**

As of 30 June 2026, management performed an assessment of the carrying values of the Group's financial and nonfinancial assets, including financing contracts, investments in sukuk and other yielding investments, Investment in securities and investment in real estate, for any indicators of impairment or the need for valuation adjustments arising from the current geopolitical environment. Based on the information available at the reporting date, management concluded that the carrying values of these assets remain appropriate and no additional adjustments were required in this condensed consolidated interim financial information.

The Group also considered management overlays to address model limitations and portfolio-specific risk characteristics that were not fully captured within the underlying modelled outcomes. The reported ECL allowance represents management's best estimate at the reporting date, based on reasonable and supportable information available as at 30 June 2026. The economic environment remains subject to uncertainty, and the Group will continue to monitor developments and reassess the impact of changing macroeconomic conditions, portfolio performance and emerging risks on its ECL estimates in future reporting periods.

**6 SEASONALITY**

The Bank does not have significant income of a seasonal nature. However, given the inherent nature of the banking business and changes in market benchmark rates, the results reported in one period may not be directly comparable to those of other periods.

## 16 COMMITMENTS AND CONTINGENCIES (Continued)

*Litigations and claims*

In the normal course of business, legal cases are filed by the Bank against its customers and against the Bank by its customers or investors. The Group's legal department engages with in-house legal counsel and external legal counsel depending on the nature of the cases. A periodic assessment is carried out to determine the likely outcome of these legal cases and is reported to the senior management and Board of directors.

a) *Fair value*

Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

The fair value of quoted Sukuk and other yielding investments carried at amortised cost (net of expected credit losses allowance) of BD 441,396 thousand (31 December 2025: BD 317,431 thousand) is BD 425,733 thousand as at 30 June 2026 (31 December 2025: BD 312,334 thousand).

The estimated fair values of the Group's other financial instruments are not significantly different from their carrying values due to their short-term nature.

b) *Fair value hierarchy*

The table below analyses the financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

During the six months period ended 30 June 2026 and 30 June 2025, there were no transfers between Level 1 and Level 2 fair value measurements.

c) *Fair value*

*Other financial instruments*

Placements with financial institutions and placements from financial institutions are for short term tenure hence their carrying value is not different from the fair value. Placements from non-financial institutions and individuals which are not short term are re-priced at regular intervals hence carrying value approximates its fair value. Fair value of other financial assets and liabilities are not significantly different from their carrying values due to their short term nature.

## 26 REGULATORY RATIOS

## a. Net stable funding Ratio (NSFR)

The objective of the NSFR is to promote the resilience of Banks' liquidity risk profiles and to incentivize a more resilient banking sector over a longer time horizon. The NSFR limits overreliance on short-term wholesale funding, encourages better assessment of funding risk across all on-balance sheet and off-balance sheet items, and promotes funding stability. NSFR as a percentage is calculated as "Available stable funding" divided by "Required stable funding".

The Consolidated NSFR calculated as per the requirements of the CBB rulebook, as of 30 June 2026 is as follows:

| Item                                                               | Unweighted Values (i.e. before applying relevant factors) |                    |                                  |               | Total weighted value |

**27 SIGNIFICANT EVENTS****CBB measures**

On 14 April 2026, the Central Bank of Bahrain introduced a number of support measures for the economy and the banking sector, including liquidity lines to retail banks against eligible securities, repayment deferrals of up to three months for eligible financing customers, extension of repurchase operation maturities, a reduction in the required cash reserve ratio, and a lowering of the minimum LCR and NSFR thresholds applicable to banks.

The Group continues to monitor these developments and is assessing the extent to which these measures may have an impact on its condensed consolidated interim financial information.

**28 GLOBAL MINIMUM TAX**

Khaleeji Bank B.S.C (the "Bank") is part of a multinational enterprise ("MNE") group whose Parent, GFH Bank (the "Parent" or "Group"), is domiciled and operates in the Kingdom of Bahrain. The tax authorities in the Kingdom of Bahrain have issued and enacted Decree Law No. (11) of 2024 ('Bahrain DMTT law') on 1 September 2024 introducing a domestic minimum top-up tax ("DMTT") of up to 15% on the taxable income of the Bahrain resident entities of the MNE group for fiscal years commencing on or after 1 January 2025.

As per the Parent's assessment of applicability of the DMTT law, it has assessed and concluded that it is in scope for the Bahrain DMTT law or the OECD Global Anti-Base Erosion Pillar Two Model Rules ('GloBE rules') for financial year 2026. The reason for this conclusion is that the Group had a total annual consolidated revenue exceeding EUR 750 million in the last two of the four preceding fiscal years; therefore, DMTT is applicable on GFH Bank from the period starting 1 January 2026 and as such the Bank and its subsidiaries domiciled in Bahrain were registered with the National Bureau of Revenue ("NBR").

As at 30 June 2026, the Group is still assessing and has not finalized its position on DMTT recharge arrangement back to its components. Consequently, the accounting treatment and allocation of DMTT charge, if any, within the Group is still not finalized. As such, no DMTT tax expense has been recognized by the Bank as at 30 June 2026, pending completion of the Group's assessment and the formalization of the intercompany rechargeability arrangements.
